## Additional information

### International Year One - Psychology

This course opens up a variety of career options, such as a professional psychologist as well as other disciplines such as healthcare, teaching, marketing, or management. Even if you decide to ultimately not join the world of psychology, the organisational, analytical, and research skills you gain will make you a high-quality candidate for many organisations. Additionally, it will help you learn about yourself and others.

### Overview

The International Year 1 (IY1), delivered at Bangor University International College (BUIC) provides an intensive combination of first year university subject's modules with extra study and English language skills.

We offer Pre-sessional English which is a 6 or 12-week extension course for those who may not yet meet the required English language standards for direct entry to our pathways.
