Overview

Consumers have become active participants of the digital world, blurring the line between company and customer. Media today is driven by strong brands, social media campaigns and individual influencers that establish and propel relationships with target audiences. This ongoing dialogue is the key to reaching new customers and solidifying relationships with existing ones. This program will develop entrepreneurial thinking and cover topics such as structuring public relations campaigns, media strategy and organizational communication and ethics.

With our fast-track option, students can accelerate their studies by completing one or two intensive summer semesters. We also offer inter-campus transfers between our EU campuses and exchange programs with our OMNES sister schools in Paris, Bordeaux, Lyon, Monaco and London to enhance international experience and multicultural learning.
