Sociology Program and Degree Overview

Several popular classes focus on research, providing students with opportunities to conduct original work under the guidance of a faculty member.

Recent research projects have focused on the homeless, the dynamics of congregations, family interactions, labor unions, the assimilation of minority groups and criminal justice.

There are many electives to choose from to complete your degree requirements. Electives cover areas such as the sociology of gender, human rights, criminology, social movements and more.

Students have an opportunity to complete an internship as part of their coursework and to integrate their academic learning with work experiences. They also can participate in the Sociology and Law and Justice Club, a recently formed chapter at CUC.

If choosing to minor in sociology, you are required to take courses covering the fundamentals of sociology and research methods. To complete requirements, you may choose from many electives that are of interest you.

Sociology Major Opportunities

Located only 10 miles from downtown Chicago, the University's location enables students to experience diversity whether it pertains to the arts, cultural institutions or as a learning laboratory. There are nearly endless opportunities for internships, research, study and service.

CUC's sociology students have distinguished themselves by presenting the results of their research at several local and national conferences including Associated Colleges of the Chicago Area symposia, the Midwest Sociological Association, Concordia University Chicago's annual Women's and Gender Studies Conference and the American Sociological Association.

Students participate in a variety of clubs, associations, organizations and events such as the Global Justice Series.

Sociology honor students are also invited to join Alpha Kappa Delta, a national sociology honor society. The worldwide society has more than 490 chapters and more than 80,000 members who benefit from scholarship and publication opportunities.
