Additional information

Degree Overview

Schiller International University's Master of Business Administration (MBA) covers all aspects of business operations. You can engage with diverse cultures and learn about ethical business practices, which will help you gain valuable international and multicultural experience. In addition to acquiring international experience, with our MBA degree, you will also learn innovative methodologies such as Design Thinking, Lean Startup, and Agile, which are widely used in real everyday operations in business.

Your network is one of your biggest assets in today's interconnected world, and the Master of Business Administration at Schiller International University recognizes this fact. As a student, you will have access to multiple networking opportunities with alumni and partners, with whom you can foster connections for future partnerships, job opportunities, and mentorships. You will also have access to the training platform Elevatorfy for a Global Business Challenge, which is a great opportunity to put your skills to the test and learn from industry experts.

Study reasons

Global Perspective and Holistic Expertise - At Schiller, you have an incredible opportunity to study in a diverse international setting with 130+ nationalities and 20,000 Alumni and gain holistic expertise
