Additional information

Degree Overview

The undergraduate major in Finance provides students with a background of knowledge and a set of skills to enable them to perform successfully in finance-related fields. These fields reflect both global and domestic dimensions and they include corporate or business finance, financial management in government and not-for-profit organizations, financial planning, investments, banking, insurance, real estate, and public accounting. Students who major in Finance are also eligible to apply to the Accelerated MS in Financial Risk Management Program.
