## Course Details

The BSc (Hons) Business Management degree is ideal for those interested in a future professional career in business and management. The course offers an excellent grounding in key aspects of business management and will equip you for a wide variety of career options including operations, HR, project management, business analytics, business consultancy as well as setting up your own venture. Throughout the course you'll get to develop key employability skills such as research, presentation, critical analysis, problem solving, teamwork and entrepreneurship.

The BSc Business Management course programme includes regular talks from guest lecturers and speakers as well as 'live' workshops to promote independent learning. Graduates will be equipped with the knowledge and professional skills required to add immediate value to any organisation. If you would like to further your studies after graduating, you may wish to consider studying a postgraduate course in:

- MSc Strategic Business Management
- MSc Corporate Financial Management
- MSc Project Management
