Accommodation

We have a spacious apartment for our students right in the centre of city Montreux. Situated in the same building where the Business school is, our students can rely on comfortable and quick path to their studies. And don't forget about picturesque view from the 6th floor balcony on lake Léman. Education has never been so easy and enjoyable!

SSHE has established a partnership with a trusted accommodation agency through a network of real

estate companies here in Montreux who provide spacious private bedrooms and studio apartments. All of their listings are fully furnished and abundantly equipped; boasting spaces adorned with contemporary finishes in décor and style that are regularly serviced by a professional cleaning and upkeep team. They cater to the specific demographic of students and/or young professionals, thus cultivating a living space and environment of likened inhabitants. Their property is within 5 minutes walking distance to the city center, and a total of 1.4 km's from the business school – having immediate access to all forms of local transport and lakeside walk ways.

Accommodation Fees: 3200-18000

Additional information

Degree Overview

The program of Doctorate of Business Administration allows students to deepen their knowledge in the studied specialisation by gaining both additional research methodologies and analysing practical cases in more detail. After completing the programs students can further develop their careers and target senior positions in Management.

The Doctorate in Event Management supports students in their choice to develop their careers in organizing different kinds of events. It provides students with additional instruments and methods that they will be able to integrate into practice in their workplaces. Such courses as Advanced Event planning, Planning and financial management for events, Advanced hospitality management and others will contribute vastly to students' problem solving capabilities and will help them to find new opportunities for their jobs. The courses in Event Management specialisation are designed with the consideration of current world conflicts and environmental issues that future generations need to find solutions to.
