Additional information

Programme description

Data from Wolters Kluwer 2023 shows that **78% of lawyers, both from law firms and legal departments, expect increased demand for specialization in the industry**. The trend of law firms to expand their offerings to include a range of specialized niche services is becoming more common and will increase.

Students majoring in **Law in International Relations and Business** learn about, among other things: international law, the EU, international trade law, political science and international relations. The skills acquired allow **understanding the most important challenges of the modern world, by combining theoretical legal knowledge with practical skills used in diplomacy and business**.

The classes are taught by **recognized academics from Polish and foreign universities, experienced business practitioners**, as well as current and former **diplomats and political analysts**.

Career Perspectives

Graduates of this specialisation can take up employment in, among others:

- international organizations,
- European Union institutions,
- non-governmental organizations (ngo),
- ministries and government agencies,
- diplomatic institutions,
- local government entities,
- international corporations,
- consulting firms,
- universities and research institutes,
- think-thanks.

Programme benefits

Recruited professional competencies:

- gaining qualifications that can be used for work in international organizations, preparing for a leadership role shaping legal, political and social changes,
- learning about the legal, political and economic mechanisms of the international community,
- learning about the EU legal system and its role in the international arena.

Recognized Faculty of Law and Administration:

- as one of the best private law faculties in Poland according to the rankings of Gazeta Prawna or Rzeczpospolita, guarantees high quality teaching and provides students with the opportunity to combine legal knowledge with practical aspects of international relations.

International character:

- experience learning together in an international environment, through daily contact with students from all over the world,
- participate in Erasmus+ international exchanges (study trips, student internships, graduate placements).

In the course "Law in International Relations and Business" students have the opportunity:

- expand their knowledge in the field of international and EU intellectual property law within the framework of PAN European SEAL's cooperation with EUIPO in Alicante and EPO in Munich - free access to online courses, events, possibility to apply for graduate internships,
- activate in student groups and scientific circles - Lazarski Negotiation Club, Scientific Circle of Diplomatic and Consular Law,
- work in organizing scientific and didactic events - conferences, seminars - domestic and foreign.

Studies at "Law in International Relations and Business" include two specialisations, chosen after the third semester of studies:

- "Law in International Relations" allows development in the area of public international law, the law of diplomatic and consular relations and EU law,
- "Law in International Business" allows to gain knowledge in international and EU economic law, as well as familiarizes with the current challenges of international business.
