Additional information

Course Details

You can expect something different to the traditional three year Bachelor of Laws degree when you study our LLB. Over 90% of our lecturers are qualified solicitors, barristers and judges so you will learn to apply law and we focus on teaching you the most relevant and practical skills that employers are looking for.

Studying law is the start to a wide, varied and exciting legal career. It offers more diversity than almost any other profession, whether you want to be a company secretary, a solicitor, a paralegal or a high court judge. It is also one of the best qualifications for going on to succeed in other careers. You can find our graduates working in politics, journalism, business, HR and finance and more all over the world.

When you study an LLB with us you receive:

- The highest standard of teaching from experienced professionals
- Small class sizes
- Options to study on campus and online
- A choice of campuses across the UK
- Access to a large specialist careers service and pro bono clinics
- A variety of specialist modules to enhance employment prospects
