## Additional information

### International Year One - Accounting Banking and Finance

This course will help you develop a broad understanding of business organisations, the economy, markets and finance. Knowledge in this field is helpful to work in almost any sector or industry, giving you varied career options.

## Overview

The International Year One course at Bangor University International College offers a combination of first-year university subjects and English language and academic study skills.

Students will gain a comprehensive understanding of business, covering core principles in economics, law, management, and mathematics. Upon completion, students automatically progress to the University of Bangor for two more years of study.
