Pre-master's (Business and Management)

Additional information

Degree Overview

This degree is designed for graduates wishing to start, or further develop, careers in marketing. This Degree explores the principles, theoretical concepts and practice of marketing within the context of business and management and will focus on developing academic and applied skills in Marketing including advertising, brand management and loyalty, customer service, public relations and market research. The programme will also develop students' knowledge and skills across a wide range of business and management subjects, including organisations, their management and the changing external environment in which they operate and develop students' ability to take a strategic overview of business and organisational issues.

Study Reasons

- The programme will prepare students for a career in marketing or in business and management
- Students may choose to undertake a dissertation in a business or marketing topic
