Additional information

Rapid political, economic, social and technological changes are taking place across the world. In order to cope with and actively shape these complex changes, new forms of leadership are required. This program explores the realities of being an authentic leader in the 21st century, from making strategic decisions, managing people and performance and negotiating effectively, to operational and marketing management.

Focusing on the development of critical thinking and executive skills, this master's will give students the tools to be an effective leader and to adapt to future changes in business.
