Requirements

Education

A Bachelor's degree with a score of 70% or above, depending on the course that you're applying for.

To be offered a place to study on the MBA programme prospective participants would normally be required to meet the following admissions criteria:

- a. Possess the equivalent of a good UK honours degree – normally equivalent to a 2:2 or above.
- b. Possess the equivalent of a UK degree below a 2:2 standard whilst being able to evidence an aptitude and/or relevant work/management experience to successfully complete the MBA programme of study.
- c. Possess appropriate professional body qualifications (for example, ACCA or CIMA) at a level equivalent to UK undergraduate degree.

Recognition of Prior Learning

Prospective participants with relevant work experience, for example, having been or are working in a junior or middle manager role would also be considered for recognition of prior learning. Evidence of in-company formal training, professional development through attendance at external courses/training, for example, would also be considered and could substitute for the admissions criteria given in (a), (b) or (c) above. Recognition of prior learning for entry to the MBA on a case-by-case basis with evidence required to be provided by the prospective participant.

English Language requirements

To be offered a place on this MBA, prospective participants would be required to meet English language requirements. Prospective participants who do not initially meet these English language standards can take an English language course offered by GBS HE Malta to support participants to meet this English language standard, generally within three months.

*IELTS Academic: 6.0 OR

*TOEFL iBT: 60 OR

*PTE Level B2: 52 OR

*Duolingo: 105

Accommodation

Campus Hub Residence

Our fully serviced living facilities are designed to integrate a comfortable residency for our students, which is only 20 minutes off the University Campus by bus. We aim to ensure that all our students feel safe, secure, and satisfied in our Campus Hub. With its calm and pleasant atmosphere, contemporary residential rooms, fitness facilities, intriguing retail establishments, and budget-friendly cafés and restaurants, students are made to feel right at home. There is a direct bus facility to school from the residence, which creates ease of access for our students.

Speciality

Additional information

This MBA with specialist pathways provides a rigorous, intellectually demanding and vocationally relevant programme of study in business and administration. It has been designed to develop high levels of transferable skills, analytic and critical appreciation and evaluation of theory and practice of management in the context of an international and global environment. The programme of study enhances participants' critical understanding of their knowledge, experience and strengths and how to deploy these to become effective managers in a range of different organisations.

The achievement of the MBA qualification will enable you to further enhance your career as a socially and ethically engaged, globally connected professional who is creative, enterprising and innovative.

GBS Malta is offering students access to the Malta Get Qualified Scheme, enabling students to benefit from tax credits that help lower overall study costs. This scheme is highly valuable, giving back 70% of tuition fees after graduation.

This MBA programme is designed to prepare you for a wide range of occupations in general management across all industry sectors and the international environment as well as employment in your chosen pathway.

Career paths after the course:

- Senior management roles in all sectors
- Management training
- Management consultancy
- Strategic roles in any context
