Additional information

About:

During the course, you will take an in-depth look at business management and administration and will participate in a collaborative working environment. Extended Masters courses have all been designed

to support international students with a minimum of IELTS 5.5 (5.0) on their journey to postgraduate study.

Degree overview:

The Extended Masters The Extended Masters courses have all been designed to support international students with a minimum of IELTS 5.5 (5.0) on their journey to postgraduate study. Students will receive ongoing support through their transition to the UK. Our Extended Masters courses are aimed at international students looking to:

- Enhance their existing skillset
- Progress on to master's-level study
- Improve their English Language skills

Why study this MBA? We live in uncertain times, and so it is crucial that entrepreneurs and those working in senior business positions are culturally agile and adaptable. On this MBA at Ravensbourne University London, you will develop global perspectives, broaden your horizons and become an expert in evaluating current challenges in business management. During the course, you will take an in-depth look at business management and administration and will participate in a collaborative working environment. Through a series of business lectures and classes taught by industry and academic professionals, you will develop a varied skill-set to enable you to progress your career in business and management. How you will study This course is comprised of five semesters. In the first two semesters, English language constitutes 35% of the course, and students successfully completing the first two semesters of the course are expected to be able to demonstrate English language skill at the CEFR B2 level (IELTS 6.5). Upon successful completion of the first two semesters, students will move onto the core progression course modules.

Study reasons:

- The course is taught by industry experts
- Offers opportunities for real-world project experience through partnerships with leading companies
