Additional information

The NR(A) theoretical knowledge instruction lasts for 2 hours and is organized individually as a long briefing at least one day prior to the flying.

The minimum flight instruction time for NR(A) is 5 hours of flight time in appropriate aircraft category at night, including:

- at least 3 hours of dual instruction, including at least 1 hour of cross-country navigation with at least one dual cross-country flight of at least 50 km (27 NM),

- 5 solo take-offs and 5 solo full-stop landings.

The detailed number and layout of exercises the student shall take under the course may be found in NR(A) Flight Instruction Syllabus.

Applicants shall have completed a training course within a period of up to 6 months.
