Additional information

Gain valuable, real-world experience with the Bachelor of Social Work online

Improve the lives of others with the 100% online Bachelor of Social Work from Avila University. This community-focused program gives you a foundation in the professional conduct, values, and ethics of the social work profession. Increase your understanding of human behavior in social environments so you can help individuals, families, and communities overcome their unique challenges.

Gain the knowledge to promote social justice and an enhanced appreciation of human diversity as you learn from highly engaged faculty invested in your future success. As a student in the CSWE-accredited Bachelor of Social Work online program, you'll gain 500 hours of practical experience working with clients in social service organizations. Benefit from the applied learning and value-added faculty feedback as you prepare for vital professional roles or continue your education at the graduate level.

Learning outcomes:

- Examine social problems and institutional responses to sexism, racism, and classism
- Explore values and ethics of the social work profession
- Develop skills in research methods
- Build an understanding of social legislation and policy
- Gain real-world experience serving clients in a social work setting
- Prepare for advanced coursework in master's or doctoral programs

Career opportunities:

- Family Counselor
- Elderly Caregiver
- Social Worker
- Corrections Officer
- Public Health Worker
