Degree Overview

The programme meets the needs of graduates who wish to enter a career in international management but may not have the relevant academic background or work experience. It focuses on managing global business operations, including strategy development, marketing planning and global supply chain management. The Roehampton MSc Global Business Management has been designed with input from successful business leaders to address the needs of global corporations and SMEs operating internationally. The programme aims to prepare you for the challenges of management within an international business environment. In addition to the academic programme of study, you will have the opportunity to join our Global Leadership Programme, aimed at equipping you with the skills that are critical to succeed in today's fast-paced business world.

Study Reasons

- You will be equipped with the knowledge and skills to work in multinational corporations, strategy and policy consultancy or international entrepreneurship ventures. The latter could mean running a small business or becoming a consultant to SMEs and NGOs.
- You will enjoy London's vibrant cultural and social life and take advantage of the City's global businesses and financial institutions in order to develop your management skills and career.
- This programme is dual accredited to a CMI qualification. Upon successful completion of the programme, Roehampton on-campus students, will be eligible for a CMI L7 qualification in Strategic Management and Leadership (subject to passing the required mapped CMI modules and CMI moderation).
