Degree Overview

This one-year top up programme is designed to provide a firm understanding of international business, corporate strategy and finance, and the ability to apply ethical decision making in business situations. It will equip you with the skills you need for a successful career in financial organisations and multinational businesses. This top-up degree is designed specifically to develop you as a confident, independent thinker with a detailed knowledge of international business and cross-cultural management, and equipped with the skills to adapt rapidly to change. Our academics have extensive

experience of organisations and will support you to connect your learning to the realities of business and management. You will be supported throughout by your Personal Tutor, who will help to guide your learning and career development. You will also have access to our extensive range of employability events. Alongside this, we provide a wide range of other opportunities to develop and learn, including a career mentoring scheme, student-led Business Society and online careers portal.

Study Reasons

- This course will equip you with the skills you need for a successful career in financial organisations and multinational businesses.
- Career opportunities for graduates include corporate finance, banking, insurance and business consultancy, as well as a wide variety of specialist and generalist management roles. This course also prepares to progress to further study with us on our MSc Global Financial Management.
- Our careers team is available to support you from the start of your studies until after you graduate. They will help you build your CV, prepare for interviews, and meet and learn from successful graduates working at the top of their careers. You'll also have opportunities to work with our partners across London and beyond, and to attend a Roehampton jobs fair where you can find out about graduate opportunities and meet employers.
