throughout by your Personal Tutor, who will help to guide your learning and career development. You will also have access to our extensive range of employability events. Alongside this, we provide a wide range of other opportunities to develop and learn, including a career mentoring scheme, student-led Business Society and online careers portal.

## **Study Reasons**

- In preparation for your future career, you'll develop many skills employers value, including the ability to identify and solve business problems, and to communicate your ideas with impact.
- You will be equipped to work in corporate finance, banking, insurance and business consultancy, as well as specialist and generalist management roles. You could also progress to further study with us on our MSc Global Financial Management.
- Our careers team is available to support you from the start of your studies until after you graduate. They will help you build your CV, prepare for interviews, and meet and learn from successful graduates working at the top of their careers. You'll also have opportunities to work with our partners across London and beyond, and to attend a Roehampton jobs fair where you can find out about graduate opportunities and meet employers.
