#### Accommodation

We have a spacious apartment for our students right in the centre of city Montreux. Situated in the same building where the Business school is, our students can rely on comfortable and quick path to their studies. And don't forget about picturesque view from the 6th floor balcony on lake Léman. Education has never been so easy and enjoyable!

SSHE has established a partnership with a trusted accommodation agency through a network of real

estate companies here in Montreux who provide spacious private bedrooms and studio apartments. All of their listings are fully furnished and abundantly equipped; boasting spaces adorned with contemporary finishes in décor and style that are regularly serviced by a professional cleaning and upkeep team. They cater to the specific demographic of students and/or young professionals, thus cultivating a living space and environment of likened inhabitants. Their property is within 5 minutes walking distance to the city center, and a total of 1.4 km's from the business school – having immediate access to all forms of local transport and lakeside walk ways.

Accommodation Fees: 3200-18000

## **Additional information**

The Bachelor in Project Management program is designed to teach students how to successfully manage resources, time and personnel in order to effectively manage and complete projects. Through the Bachelor program in Project Management, students gain understanding and practical experience in project planning and tasks scheduling, risk management and financial prediction, choosing and developing project team, controlling and measuring results, and following up on team performance.
