Additional information

Degree Overview

The subject matter ranges from an examination of the face-to-face interactions of daily life to large-scale social institutions, social movements and global processes. By understanding the social world, we gain a better understanding of ourselves and our own social situations.

Study Reasons

- The course structure is flexible enough to offer a range of specialisms and a breadth of choice.
- The course is taught by experts in the subject who aim to be innovative and to meet real needs.
