Requirements

Full Admission to Avila Nursing

- 60 transferable credits with at least a 2.8 GPA
- Completion of these prerequisite courses with a minimum GPA of 2.5:
 - Anatomy and Physiology I
 - Anatomy and Physiology II
 - Chemistry
 - Microbiology
 - Statistics
 - Developmental Psychology
 - Pathophysiology
- Meet core general education requirements
 - Applicants who have earned an associate or bachelor's degree from a regionally accredited college or university will have fulfilled all general education requirements.
 - Applicants who have yet to complete all general education credits can take these classes in an online accelerated format and will work with an academic advisor to complete a personalized degree completion plan.
- TEAS score of 70%

Students admitted must also meet the following requirements to participate in nursing clinical courses:

- Meet immunization and health screening requirements
- Complete a criminal background check and drug screening

- Hold a current certification in a basic cardiac life support (BCLS) healthcare provider course
- Submit annual tuberculosis (TB) skin test results
- Carry your own health insurance coverage and provide a health insurance form reflecting the company and coverage to be kept on file in the Avila School of Nursing office

Accommodation

Avila's residence halls are on campus and open all year, including holidays. Living on campus gives you easy access to your classrooms, the library, and computer labs. You will also be able to participate in many campus activities such as plays, concerts, movies, sports events, and special performances, all of which are available to you for FREE!

The many benefits of living in the residence halls include:

- Three nutritious meals a day, seven days a week (dietary accommodations are available at every meal including vegetarian, pork-free and gluten-free options).
- Cable TV service in each room
- Free internet in each room (for your computer and/or smartphone)
- Laundry facilities on each floor
- Lounges with televisions and furniture on each floor
- Equipped kitchens on each floor
- Resident Assistant staff live on each floor to help you
- Dormitories are within easy walking distance of the classroom and other campus buildings
- A safe and secure entry system
- Flexible spaces for prayer, meditation and spiritual practices

2025-2026	Room Cost (per year)	Residence Hall
Triple Person Room	\$7,000	Buchanan Hall
Double Person Room	\$8,000	Buchanan Hall
Single Person Room	\$12,000	Buchanan Hall
Adult only One Bedroom Apartment, *Varies based on occupancy	\$7,000-\$17,000	Villa Ventura
Adult only Two Bedroom Apartment, *Varies based on occupancy	\$6,000-\$16,000	Villa Ventura
Suite Style Room	\$7,800	Wylie Hall
Suite Style Room	\$10,158	Thompson Hall

Everyone who lives in the residence halls also has a meal plan for Avila's cafeteria.

2025-2026	Meal Cost (per year)
19 Meals per Week Meal Plan	\$4,920
14 Meals per Week Meal Plan	\$4,600
7 meals per Week Meal Plan	\$3,000

Thompson Hall and Villa Ventura suites have small kitchens where the students can prepare meals, so they do not dine in the cafeteria as often.

Speciality

\$4,000 of additional expense to cover resources such as books and materials, licensure exam fee, graduation fee, lab fees, and nursing supplies (scrubs, stethoscope, etc.).

Additional information

If you have 60 or more college credits, an associate degree, or a bachelor's degree in a field other than nursing, you can prepare to serve your community as a nurse with our Accelerated Bachelor of Science in Nursing (ABSN) degree program at Avila University. Our ABSN offers the clinical knowledge and skills you need to care for individuals, families, and communities as a nurse.

Now more than ever, the healthcare system needs nurses. According to the U.S. Bureau of Labor Statistics, there may be as many as 200,000 annual job openings across the country for registered nurses (RNs) between 2020 and 2030.

This 16-month program combines hands-on instruction in our advanced simulation facility, supervised clinical experience, and preparation for the National Council Licensure Examination for Registered Nurses (NCLEX-RN®).

Over four semesters of study, the ABSN degree program at Avila offers you:

- **A solid foundation for your future in nursing** — Gain nursing and health science knowledge that informs how you care for patients. Learn skills for treating a range of conditions and patient populations, along with leadership competencies and skills for educating patients on healthier living.
- **Extensive clinical experience** — Complete over 500 hours of supervised clinical practicum experience along with extensive work in the healthcare simulation labs in our technologically advanced Nursing Education and Resource Center (NERC).
- **Varied professional preparation** — Experience a variety of clinical settings, including hospitals, clinics, community settings, and more.
- **A caring learning community** — Benefit from small classes led by our clinically experienced nursing faculty, who are chosen for their expertise and their enthusiasm for helping a new generation of nurses flourish.
