Additional information

Degree Overview

The Bachelor of Arts in human resource management provides students with a fundamental understanding of the workplace, human capital and how to provide value to any organization.

Human resource professionals contribute to the successful operation of an enterprise by motivating employees, enforcing government regulations, handling labor negotiations, establishing competitive employee benefits, and developing training programs for maintaining a successful workplace with optimal productivity.

Equipped with a basic understanding of the fluctuating landscape of corporate culture, graduates may proceed immediately to employment in small businesses, nonprofit organizations, private corporations and global enterprises.

Career Outlook

The job outlook for human resource managers with at least a bachelor's degree from an accredited institution remains quite strong.

As organizations expand their operations and adhere to rapidly evolving federal and state employment laws, a significant demand for HR managers to administer these personnel programs is forecast. The U.S. Bureau of Labor Statistics predicts that the employment of human resources managers will grow at an average rate of 7%, creating an anticipated 12,600 new jobs from 2021 to 2031.

According to the U.S. Bureau of Labor Statistics, the median annual wage in 2021 was \$126,230 for human resources managers. Online career tracker Human Resources MBA notes that "earning a bachelor's degree in human resources will place you on the track to planning, directing, and coordinating HR activities."
