Additional information

Programme description

If you dream of working in the diplomatic service or international organizations, want to develop the negotiation and diplomatic skills necessary for effective cooperation in the international arena, then the Bachelor's degree program in the specialisation "Diplomacy" is for you.

Our curriculum covers a wide range of topics, such as:

- global diplomacy and international relations: you will understand the main processes in international relations, analyzing the complexity of cooperation and conflicts in the international arena,
- European foreign policy: you will learn about the European Union's foreign policy and its external relations, and deepen your knowledge of the EU's role in global relations,
- public policy and diplomacy: you will understand the role of public policy in the international sphere and the promotion of the state's interests in the global arena,
- diplomatic ethics and crisis management: you will gain knowledge of the principles of diplomatic ethics and skills for managing crisis and unusual situations,
- risk analysis and international security: you will analyze threats to global security, learning how to effectively manage risk in the context of international relations.

Career Perspectives

- diplomat
- international policy analyst
- international security specialist
- international negotiator
- international relations consultant
- international policy researcher

Programme benefits

Why choose our specialisation?

- knowledge and skills in the field of foreign policy: you will acquire practical knowledge of international relations, diplomatic negotiations and decision-making processes in the international arena,
- prepare for a career in the international sphere: the specialisation will allow you to develop the skills needed to work in international institutions, diplomatic service, think-tanks or NGOs,
- develop communication and negotiation skills: The specialisation "Diplomacy" develops communication, negotiation and conflict resolution skills, key to working in the field of international relations,

- practical experience: the program offers the opportunity to gain practical experience through internships in embassies, foreign ministries and think-tanks, enabling practical application of the knowledge gained.
