Additional information

The University Foundation Programme (UFP) Science & Pharmacy Foundation Pathway is an intensive one year foundation course, which will prepare you for a wide range of Science and Pharmacy bachelor degrees.

The UFP Science & Pharmacy Foundation Course enables you to build the strong medical knowledge required to study a biosciences or pharmacy related degree course. The UK is an established world leader in this subject area and graduates are in very high demand. This Pharmacy and Medical Science foundation course combines scientific theory and practical elements, so our students leave with the fundamental skills and knowledge needed to progress in any area of the profession.

- Students wishing to enrol must pay a deposit of £5,000 towards fees
- Fees must be paid yearly in advance or in two instalments as stated above.
- If a student wishes to withdraw from the College, one term's advance notice must be given in writing to the College Registrar. Failing this, one term's advance fees will be charged in lieu of notice. One term's advance written notice must also be given to drop any subjects.
- Examination entry fees are subject to annual examination board prices and associated administration costs. Please check the latest fees with the exams office.
- Textbooks are not included in the tuition fees.
- UFP examination fee is £500. UFP Practical/Material fee (for Physics, Further Computing, Chemistry and Biology) is £500 per subject.
