### Additional information

## Your program at a glance

Throughout your one-year MBA, you'll take the knowledge and skills you learn in class and continually test them—and yourself—through practical application.

You'll study four core modules, each with an integrated business challenge. You'll then take summer electives at our Rotation Center in New York to deepen your financial expertise.

## Program building blocks

Gain the foundational business skills needed in any marketing career with a practical, challenge-based approach that enables intensive skills development and continuous practical application.

Whether you have a clear career target or want to try different paths, your electives give you flexibility to increase your knowledge across a range of business subjects.
