Additional information

Degree Overview

Located in the heart of the insurance industry, Healthcare Management at UConn provides students with exceptional educational opportunities to pursue careers in the growing field of healthcare management and insurance. The major is small and personalized. Courses cover topics such as risk management, health economics, healthcare finance, human resource management, and insurance. Professional work experience through an internship program and job placement assistance provides graduates with the skills to become the next generation of business leaders in the healthcare and insurance industries.
