Additional information

In an era of rapid organizational and technological change, the **role of HR departments in organizations is becoming increasingly strategic**. HR graduates are sought after by their ability to manage talent, build organizational culture and introduce innovative solutions that support business goals.

Studying "Human Resource Management" at Lazarski University offers students solid preparation for entering a job market that is increasingly demanding and dynamic. **The study program is designed to respond to the current and future needs of employers.**

Programme description

The specialization "**Human Resource Management**" is a comprehensive preparation for the role of a strategic business partner, capable of effectively managing talent and organizational culture in a changing work environment.

Students gain not only deep theoretical knowledge, but also practical skills in modern HR technologies, strategic personnel management, and employee development and motivation.

Through an emphasis on **soft skills development, graduates gain preparation to operate effectively in a variety of cultural and organizational contexts**, which opens up a wide range of career opportunities in the HR industry.
