Additional information

Course Details

Master's in Strategic Business Management will provide you with an excellent grounding in the key aspects of business and management faced by businesses today. Designed with input from successful business professionals, and covering a range of different modules, we will ensure you have the best foundation for your professional career.

This course is accredited by The Chartered Management Institute (CMI) so upon successful completion you will have the option to apply for a CMI Level 7 Diploma in Strategic Management and Leadership as well as your degree. This course is also offered as an 'Accredited Degree' by the Chartered Institute of Marketing (CiM) meaning students will be able to gain industry-recognised qualifications at an accelerated pace.

Your learning experience is important to us and that's why this course is taught by academics with extensive industry expertise in workshop-style classes to ensure greater interaction and a personalised learning experience. You will apply the theoretical concepts of business management to

real life case studies and will also have opportunities to work with professional bodies and employers.

NEW MSc Strategic Business Management with Professional Practice

This course is offered as a 2-year full-time business master's programme. Sharing the first year of study with the 1-year MSc Strategic Business Management, the 2-year programme benefits from a second year of Professional Practice that is specifically aimed at fostering the employment opportunities of students.

Offering greater flexibility than a traditional Placement Year, our **Professional Practice Year** allows you to decide how to put your skills into practice. Choose between an academic dissertation, business plan, business or consultancy project, or a paid placement in industry, depending on the option that is best suited to your future career path.

Why study a Business Master's degree with us?

- **A professional Careers and Employability Service:** from day one to beyond graduation, we'll help you become more employable with support from our expert employability service and careers advisers.
- **Professional Development:** you'll have the opportunity to benefit from our 1:1 professional coaching each semester and be encouraged to submit a personal development plan (PDP) tailored to your career goals and unique skills. Your professional development is built-in to all of our course modules to ensure you continuously increase your work-place skills as you study, and we offer a whole range of professional development support.
- **Quality of teaching:** you'll work on real-life case studies, taught by business specialists with industry expertise in strategic business management.
- **Help to support your tuition fees:** we have business scholarships and bursaries and can guide you on postgraduate fees and funding.
- **Amount of support:** our range of student advisors and academic coaches, support apps and student support services help our domestic and international students.
- **Flexible course format:** study full-time, part-time, on-campus or 100% online with a learning model that encourages independent and deep learning, shared modules for greater networking and clear time demands.
