Accommodation

Additional information

Overview

Supporting and empowering people in special life situations is the main task of social work. Through the dual B.A. program in Social Work, you will acquire all the social science fundamentals needed for your professional path in the social sector.

In addition to university seminars, we offer you the opportunity to continuously explore the various areas of a social institution through your partner company.

By alternating between theory and practical phases, you can directly apply your skills during your studies.

Our goal is to prepare you in the best possible way for your professional future in various fields of social work – whether in public authorities, social service providers, private enterprises, or social institutions.

Career Opportunities

Possible selected fields of employment in Social Work for you include:

- Child and youth welfare
- Social work in schools or daycare centers
- Support for people with disabilities
- Refugee assistance
- Street work
- Drug counseling
- Family counseling
- Assisted living

- Youth welfare offices
- Corporate social work
