Degree Overview

This degree gives a unique opportunity to gain a comprehensive foundation and subsequent depth in the area of international finance. This programme is ideal for those whose career objectives lie broadly within the financial services sector or finance-related functions within the corporate sector. The degree gives those without a finance background a robust conversion opportunity into the field, while those with a finance background ultimate flexibility to tailor their degree to their career objectives.

It also provides the opportunity to specialise in the most sought-after investment and risk management areas. The courses are kept up to date with the most recent research and practical knowledge in the field and help students prepare for the industry's requirements. Students highly benefit from a range of practice-oriented applied courses with innovative teaching methods and gain additional skills valuable for their industry careers.
