Accommodation Costs:

- The Green Village: £85 per week
- Townhouse: £75 per week

Speciality

Pathways Available: Pre-Master's

Sandwich course fees - charged during the placement year away from the University of Bradford for students on thick sandwich courses, or during the year in which the second placement falls for students on thin sandwich courses. Students charged at 10% of the equivalent full-time fee.

If a placement year is to be undertaken abroad and supported by University funding through the University's exchange programmes, fees will increase to 15% of standard fees to cover additional support, advice and administration costs.

Additional information

Degree Overview

Investment in the FinTech sector is rapidly increasing, and the FinTech industry, especially start-ups, faces technological, legal and regulatory challenges and unexpected events. Therefore, FinTech professionals are required to have analytical and critical thinking skills which help them find creative solutions to such problems.

This new MSc degree in FinTech will equip you with the tech skills, finance skills, and soft skills you'll need to build a career in the rapidly expanding financial technology field. As a graduate you will have the knowledge and understanding required to respond to the evolving requirements of employers within the wide range of industries related to financial technology.
