Requirements

- Candidates should have a good first degree of 2(II) or higher or equivalent from a university or another approved degree-awarding body. Non-graduate qualifications deemed to be of a satisfactory standard for the purpose of postgraduate admission may also be considered.
- Prior study of accounting (as part of the first degree, for example) or experience of working within the field of accounting is essential.

If your native language is not English, you must provide satisfactory evidence that you have an adequate knowledge and understanding of written and spoken English:

- IELTS: 6.0 (with no element below 5.5)
- Pearson PTE: a score of 56 (with no element lower than 51)
- Cambridge English Test – Advanced: 169 (with no element lower than 162)

Accommodation

- Individual single study bedrooms.
- Single sex only, alcohol-free and quiet accommodation available.
- Choice of en-suite private bathroom or shared bathrooms.
- Fully equipped self-catered facilities, allowing you to prepare your own meals.
- Option to purchase meals on-campus at a variety of cafes/restaurants.
- All Halls within walking distance of the campus.
- Senior Wardens on duty, plus, a team of friendly student 'Mentors' and 24/7 Security Staff (24 hours a day, 7 days a week).

- All-inclusive rent includes internet, heating, electricity, water bills, all maintenance and contents insurance.
- Rent also includes gym membership and Campus Life events programme. Campus Life events like sports events, movie nights, BBQ's, cooking classes, quiz nights, exciting trips etc to help students get the most from their time in Halls.

Speciality

You may incur additional costs in the course of your education at the University over and above tuition fees in an academic year such as laptops, Stationary and additional resources.

Pre-master's (Accounting and Finance)

Additional information

Degree Overview

The overall aim of the course is to develop an integrated understanding of the role of banking and accounting for decision-making both inside and outside organisations. Students will undertake an advanced study of organisations, including financial institutions, their management, the role of accounting for internal and external users, and the changing external context in which they operate. Students will develop the ability to apply their knowledge and understanding of accounting and banking to complex issues.

Study Reasons

- This degree programme provides the opportunity to follow the prestigious CFA (Chartered Financial Analyst) specialist pathway and acquire the skills to complete the CFA Level 1 examination
- Our postgraduate degree programmes in Accounting, Banking and Finance address a wide range of high-profile issues affecting consumers, companies, financial institutions and the public sector.
