Sep

Requirements

Please provide the following documents for your application:

- Completed Application Form including Application Research Proposal (Guidelines for Research Proposal)
- Curriculum Vitae in English
- Copies of diplomas and transcripts (plus translations if not already in English or German)
- 2 reference letters (academic or professional), either as completed reference form or as a normal letter of recommendation (with English translation if not already in English)
- Proof of English proficiency (test scores must still be valid, i.e., less than two years old)
- Academic papers, articles, certificates etc. (optional)

Since the DBA program is conducted in English, all candidates must have good command of the language. Applicants can prove their English language proficiency by one of the following options:

- Being an English native speaker
- Having completed a university degree entirely in English, in an English speaking country, within the last 3 years (teaching and assessment)
- English is the official language in daily business communication in your current position and company (we require a confirmation letter from your employer)
- IELTS: min. level of 7.0 – Academic Module
- TOEFL iBT: min. 100 (Listening: min. 23, Reading: min. 23, Writing: min. 26, Speaking: min. 22; MBS TOEFL Institution Code: 5772).

Accommodation

Cost of Living

We estimate that your living costs will be around €1250 per month. Your budget will mostly depend on how you manage your free time (e.g. travelling, eating out, opera, concerts, using sports facilities, visiting museums and clubs).

Below is an example of an exchange student's monthly budget: Category	Example 1*	Example 2**
Rent	€700	€900
Electricity, Heating, Wi-Fi	€150	€250
Groceries/Food	€320	€320
Public transportation	€50	€50
Statutory health insurance (includes student discount)	€90	€90
Phone	€50	€50
Miscellaneous (incl. Books)**	€110	€160
Total	€1470	€1820

Rental Prices

Rents in Munich are generally high. Students therefore often share apartments to save costs. Rentals are often unfurnished. Below are some examples of rental options:

- Room in shared apartment: Renting a room in an apartment can range from €500 to €700 per month, depending on the size and location of the room. Utilities (electricity, heating, Internet, licence fee etc.) are typically excluded and can add another €80-€100 per month. The bathroom and kitchen are usually shared and rooms can either be furnished or unfurnished.
- Renting a studio (one room with kitchen and own bath): Average rents for these apartments range from €700 to €900 (plus utilities), depending on the size, quality, and location of the apartment.

Speciality

First Year - 13,900 Euro

Second Year - 13,900 Euro

Third Year - 5,850 Euro

Fourth Year - 5,850 Euro

Every additional year - 3,900 Euro

Additional information

A doctoral degree is not only a very high scientific achievement and a personal milestone, but also a smart and sustainable investment in one's professional future. With the preparation at Munich Business School you can directly enter the research phase of the part-time DBA program at Sheffield Hallam University (SHU). The DBA boosts your academic as well as your business career in an international and flexible setting, which doesn't require you to put your professional career on hold.

The DBA – Doctor of Business Administration – is a research-based doctorate ideal for those who are enthusiastic about learning and who want to make a difference to the way that management and professional practice is developed in their specialism. Studying for a business doctorate allows you to develop evidence-based research and a full doctoral thesis, equivalent to a PhD, whilst continuing to pursue a career as a senior professional or manager.

The DBA program of Sheffield Hallam University gives you the opportunity to discuss key substantive topics that reflect research and advances in organizational and business knowledge. Furthermore, you will be guided through each step of developing, planning, and managing your doctoral research project.

Munich Business School is the only university in Germany that specifically prepares students for a DBA program at an AACSB-accredited university. The AACSB (Association to Advance Collegiate Schools of Business) is one of the leading international accreditation organizations for business schools and economics faculties. Its accreditation is a recognized seal of quality for teaching and research.
