Requirements

If you have completed academic work outside the U.S., you must provide official academic credentials as well as English translations of the documents. If only one document is available, we will accept notarized or certified copies of the original document. If translations are needed, it is your responsibility to have the credentials translated by a reputable translation and evaluation service. Syracuse University will not provide translations for you. A key to the marking system or grading scale should also be included if it is not indicated on the transcript.

- **First-year Students:** Attending and graduating from in-person secondary schools based in the United States for at least three full academic years (Grades 10-12).
- **Transfer Students:** Have completed at least 24 credits in person at a post-secondary institution in the United States. Students must have earned a cumulative GPA of 3.0 or higher, excluding ESL curriculum.

Speciality

International Year One in Available (47 200)

Please note that students completing the British curriculum are not eligible to apply upon completion of the IGCSE/GCSE; we require at least one additional year of education. Additionally, we do not accept the BTEC for admission at this time.

Progressing students into Syracuse University receive the following merit awards for each subsequent year of enrollment based on the cumulative GPA earned upon the completion of the 30 credit hours:

- A GPA between 3.25 and 3.49 is \$10,000 per year
- A GPA between 3.5 and 3.74 is \$15,000 per year
- A GPA greater than 3.75 is \$20,000 per year

Additional information

Degree Overview

The Television, Radio and Film Department provides students with a collaborative, multidisciplinary center for the pursuit of intellectual, creative, and professional practice in the study and area of visual and aural storytelling for entertainment media.

The TRF curriculum prepares students for careers in creative storytelling across the entertainment media spectrum; including animation, digital, documentary, film, gaming, music, podcasting, radio, sports and television.

Study Reasons

Spend a semester in Los Angeles. Take entertainment industry-related classes while interning in your field of interest. Work with passionate alumni and attend networking events, TV show tapings, awards shows and screenings.

Explore careers like executive producer, screenwriter, director of programming, multimedia marketing, radio personality and more.

Work in new television and multimedia studio facilities that give you access to cross-disciplinary learning in news, film, visual effects, set augmentation and more.
