- A GPA between 3.25 and 3.49 is \$10,000 per year
- A GPA between 3.5 and 3.74 is \$15,000 per year
- A GPA greater than 3.75 is \$20,000 per year

Additional information

Degree Overview

Effective management of supply chain is critical for business success in today's complex, dynamic and globalized environment. A supply chain is a pipeline of material, information and financial flows, frequently global in scope. It includes not only the organization but also the suppliers, buyers, and others with whom it interacts.

Supply chain management requires a distinctive view of business: procurement, manufacturing, and distribution must be viewed and controlled as a seamless flow. Good supply chain managers eliminate delays, reduce the amount of resources tied up all along the chain, and mitigate potential risks that can disrupt operations. To perform effectively, a company must develop policies to ensure the seamless flow and learn to function with its partners like a single organism.

Study Reasons

Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities, to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

The Franklin Supply Chain Club welcomes anyone interested in learning more about supply chain management. Through various field trips and guest speakers during the year, the club provides the opportunity to see supply chain management in action, as well as learn more about current events and issues affecting the field.

Alpha Kappa Psi is recognized as the oldest and largest professional business fraternities in the nation. Through professional development, educational programs, community service and a hands-on application of formal education, Alpha Kappa Psi students use the business skills they learn in the classroom to acquire life skills such as the art of compromise, consensus building, project management, team building and networking. Alpha Kappa Psi is open to students in all majors.
