## Additional information

### Overview

At the postgraduate level, the pre-master's provides either one term (10 weeks) or two terms (20 weeks) of preparation for entry into a 1-year master's degree in business and management.

Studying a master's in business at the University of Greenwich will give you a grounding in business management and insight into business network analysis. Students are taught by an exceptional teaching team that includes accomplished lecturers and practitioners with vast experience in business network analysis, business management and strategy.

Two terms:

The duration of this programme is 24 months, including 12 months of certified work experience after the completion of taught courses but in conjunction with independent research. The responsibility for finding suitable certified work experience is the students. If no appropriate certified work experience is available after completing the taught courses and dissertation, the student will graduate with a MA in International Business.

– Direct Entry One-term – IELTS 6.0 (with no skill below 5.5) - 10 weeks
