Speciality

International College Dundee

If you do not meet our academic grade requirements for your chosen course, we can offer you an alternative route to begin your studies. Our international incorporated degrees will develop your subject knowledge, academic English and university level study skills.

Pathways Available - International Stage One

Tuition fees for International students will increase by no more than 5% per year for the length of your course.

Additional information

Degree Overview

This course represents the finest Scottish Liberal Arts tradition of extensive study over a wide range of subjects and disciplines.

It gives you the freedom to study several different subjects that interest and challenge you, without the requirement to specialise in only one or two. Although you also have the freedom to focus on one subject if you choose.

You can choose from across the range of MA subjects in both the humanities and social sciences.

Study Reasons

A Liberal Arts degree prepares you for a wide range of career options because you develop a variety of skills and knowledge covering multiple subjects. Employers will also value your research and communication skills.

We encourage and foster critical thinking, enabling you to see connections between disciplines and combine diverse ideas and approaches.

Career options include roles in: education publishing journalism galleries museums and heritage sites social media marketing arts administration
