Additional information

Your studies at a glance

The hotel industry is an important part of the tourism industry and plays a crucial role in the global economy. Hotel management is an essential area within this industry and includes the planning, organisation and management of hotel operations.

After all, a well-run hotel not only needs an outstanding product, but also successful management in order to offer guests an unforgettable experience. With a dual study programme, students can gain both theoretical knowledge and practical experience to be successful in this dynamic and growing sector. With the Bachelor in Hotel Management, UE offers a first-class study programme that prepares international students for a career in the hotel industry.

Become a hospitality expert

The management of successful hotels requires theoretical knowledge supported by in-depth practical experience. This dual degree programme offers you just that - a unique opportunity to get started in the dynamic industry with our renowned international practice partners.

You will learn to operate hotels strategically, develop effective and sustainable financial plans, enhance customer experience and devise sales and marketing strategies for success. With that skill set you will have what it takes to join the future international leaders in the worldwide hospitality industry.
