Additional information

Key Information:

The International Year Zero (IYZ) pathway programme will help you develop the academic English skills and subject knowledge required to begin your undergraduate studies at the University of Greenwich.

Your first year is taught at UGIC and once successfully completed, you will continue studying the remaining stages of your degree directly with the University of Greenwich.

During the IYZ you will:

1. Study at the University campus
2. Have full access to the university amenities and student benefits
