Additional information

Degree Overview

Our International Business BSc will provide you with the skills and experience to work in an international business. You'll graduate a confident, independent thinker, with the skills to adapt rapidly to change, and a detailed knowledge of international business and cross-cultural management. This degree will give you in-depth knowledge of organisations and their environments, including their relationships to society. Specialising in international business, you will focus on the way businesses operate differently in home and overseas markets. Developing an

understanding of areas such as managing people, operations, logistics, marketing and finance, you will also learn about what businesses need to do to operate ethically and effectively in a culturally diverse environment. In readiness for your future career, you will acquire key attributes employers value, such as commercial acumen, self-reflection and emotional intelligence, alongside skills in research, numeracy, project management and leadership.

Study Reasons

- You will finish the course confident in your personal values, with the knowledge and experience to solve business problems ethically, and an ongoing passion for personal and professional development.
- You'll leave well equipped to work in a diverse range of careers, including international trade and banking, operations management, market research, international sales or marketing, and other roles within international companies.
- Our careers team is available to support you from the start of your studies until after you graduate. They will help you build your CV, prepare for interviews, and meet and learn from successful graduates working at the top of their careers. You'll also have opportunities to work with our partners across London and beyond, and to attend a Roehampton jobs fair where you can find out about graduate opportunities and meet employers.
