Requirements

- Applicants should normally have a BPS-accredited first degree or a conversion degree in Psychology, usually with a 2(ii) or equivalent. In exceptional circumstances, a degree class lower than 2(ii), or a non-graduate qualification or relevant work experience may be deemed to be at a satisfactory standard for the purpose of postgraduate admission.
- IELTS 6.0 (no element below 5.5).

Accommodation

- Individual single study bedrooms.
- Single sex only, alcohol-free and quiet accommodation available.
- Choice of en-suite private bathroom or shared bathrooms.
- Fully equipped self-catered facilities, allowing you to prepare your own meals.
- Option to purchase meals on-campus at a variety of cafes/restaurants.
- All Halls within walking distance of the campus.
- Senior Wardens on duty, plus, a team of friendly student 'Mentors' and 24/7 Security Staff (24 hours a day, 7 days a week).
- All-inclusive rent includes internet, heating, electricity, water bills, all maintenance and contents insurance.
- Rent also includes gym membership and Campus Life events programme. Campus Life events like sports events, movie nights, BBQ's, cooking classes, quiz nights, exciting trips etc to help students get the most from their time in Halls.

Speciality

This course is offered as full time and part time;

Pre-master's (Psychology)

Additional information

Degree Overview

The course overlaps with the MSc in Psychological Research, but instead of emphasising research skills, this proposed programme will empower students with a range of professional skills. These skills are valuable and highly sought after, in a range of different careers. This programme will also allow students to tailor their degree according to their interests, taking modules from our broad range of world-class specialist modules.

Study Reasons

Psychology as a science and as a profession makes a difference to real people in the real world, by improving quality of life across a wide range of areas. Strength of Bangor University in both the teaching and learning and research domains, ensuring that students will be learning the science and application of psychology from world-class researchers and lecturers.
